

DAVIS LEARNING STRATEGIES WORKSHOP - ONLINE

A transformational workshop ... the missing piece in Primary Education

These **two day**, hands-on, workshops for primary teachers and those homeschooling primary grades, provide unique, fun, transformative and innovative strategies for classroom management and improving reading instruction.

Would you like to:

Reach all the children in your class regardless of their learning style

Tap into the creative learning process of all children

Improve reading skills using the natural kinesthetic learning style of young children

Help children acquire life long 'how to learn' skills

Manage your classroom more effectively

Help children focus, stay on task and pay attention

Build self esteem through success

Give children 'self management' skills

Have **Strategies** that are easy, fun and flexible to use

Can be easily integrated into your existing curriculum

Easily scheduled for teacher and children

Time frames are flexible from student to student

Avoid the challenges

Improve the reading skills and performance level of all the children

Gifted referrals increase and special education referrals decrease

At risk children score significantly higher
